

## BUFFALO CHICKEN DIP

2 large cans chicken breast, drained

2 cream cheese

1 cup bottled ranch dressing

1/2 cup buffalo sauce

Whip the cream cheese, add ranch and buffalo sauce, stir in chicken. (Break it apart unless you want it 'chunky'). Bake at 350 for 30 minutes or so, till hot & bubbly. Serve with tortilla chips.

NOTE: This makes enough for a small baking dish. For a 9 x 13 pan, double the recipe.
