

Key Lime Pie Recipe

1 - 9" graham cracker pie shell

2 - 14oz. cans of sweetened condensed milk

6 - Egg yolks (whites not used)

1 cup - Nellie & Joe's Famous Key West Lime Juice
(Harris Teeter is the only place I've found it)

Combine milk, egg yolks and lime juice. Blend until smooth, pour filling into pie shell and bake at 350° for 15-20 minutes.

You will have a small amount of filling left over, you can use the mini pie shells to finish off the filling. (they now have a larger graham cracker crust that takes all the filling beautifully.)

Enjoy!
